

00:18:43 Hunter Jones (Community of Writers): Hi folks!  
I'll be posting some info here soon!

00:31:12 Hunter Jones (Community of Writers): Welcome  
to Warm, Fullblooded Life, a Short Course on from the  
Writers' Annex and the Community of Writers. My name is  
Hunter Jones.

00:31:22 Hunter Jones (Community of Writers): **CHAT:**  
We are hoping that the chat can stay limited to questions in  
the first half. We're keeping it open to all comments, but  
hoping to keep the conversation minimal until we get to the  
second half. Feel free to ask questions as you like. Once we  
get to the second half we will invite more open conversation  
in the chat. Thank you!

00:31:28 Hunter Jones (Community of Writers):  
**CREDITS:**

The intro music is Silent O Moyle by Mary O'Hara

00:31:35 Hunter Jones (Community of Writers):

**TECHNICAL ISSUES:** Troubleshooting support is on  
the Headquarters Page, including support phone numbers.

00:31:42 Hunter Jones (Community of Writers): **CHAT:**  
Please use the chat as you'd like. We ask that you remain  
respectful and kind, and refrain from combative or  
argumentative messages. Important info will be provided in  
the chat at the beginning and at the end of each segment. In  
the first half, please use the chat for questions only.

00:31:51 Hunter Jones (Community of Writers):

**CLOSED CAPTIONING:** To turn on closed captions,  
click on the button at the bottom of your window. If you  
don't see an option to turn on captions, you may need to  
click the three dots in the lower right-hand corner of your  
screen to expand the menu. If it is still not there, you may

have an older version of zoom. A link to update to the latest version of the zoom desktop client is on the Headquarters Page

00:31:58 Hunter Jones (Community of Writers): **TO ASK A QUESTION:** If you want to ask a question, type **QUESTION:** And then your question after it. Naturally, Peter won't be able to address every question.

You can also use the Q&A feature if you prefer.

00:32:07 Hunter Jones (Community of Writers): **THE HEADQUARTERS PAGE:** Remember the Headquarters Page will be the go-to website for this course. It is our hub. All updates, links, course materials, handouts, and other resources will be posted there each week.

00:32:16 Hunter Jones (Community of Writers):

**RECORDINGS:** These sessions will be recorded, and will be available for later viewing by registered participants for 60 days following the final session.

00:32:24 Hunter Jones (Community of Writers):

**STRUCTURE:** The first portion of each session will feature Peter moving through this week's reading with discussion and illumination; after a ten-minute break, he will spend the second portion of the course working with questions from the chat, and covering anything he didn't get to in the first half. This structure may vary week to week depending on the readings.

00:32:31 Hunter Jones (Community of Writers):

**VIRTUAL HOUSES:** Toward the end of each session, the Virtual Houses will open. If you would like to keep the conversation going, stick around and we will send you to a virtual house.

Tina, I think that the bottom of 723, we get excerpts from the letter, so we can assume it's open?

01:43:46 Roxi Power: If trauma is expressed through repetition (of the details of traumatic event), it feels like Bloom's way of dealing with trauma is through an intellectual cataloguing as pain-avoidance. He can communicate his sad longing in an embodied way (kissing

the melons) but not in language. So he, and we, are left with a bereft feeling.

daughter-- d you think that is why they sent Milly away at 15? and also perhaps grief for the lost son?

02:32:41 Catherine Schuster: Whether a reader thinks the marriage is over or hopes they'll stay together is their own projection/interpretation, because Joyce is only looking at a single day

02:32:46 Lisa Fruchtman: QUESTION : Could Peter or someone explain Molly's lines on 778 - after she says that Bloom couldn't give her another son ? What does she mean from , It's not my fault ... etc until she gets to the swather for Rudy .. Thx

02:57:49 Jane Rollins: On page 742, Molly says "what's the idea of making us like that with a big hole in the middle of us". She's talking metaphorically as well as physically. It's a key to understanding her. Molly is as lonely as Bloom, and she has taken her own journey in her reflections.... They are more alike than different.
